

TED MYERS

Administrative Services Manager

Ted Myers is UCOR's Administrative Services Manager, overseeing Human Resources, Benefits, and Labor Relations.

Prior to joining UCOR, he served as Administrative Services Director of Savannah River Remediation (SRR). He was responsible for human capital programs, including human resources, labor relations, public affairs and employee concerns activities affecting the company at the Savannah River Site (SRS).

Ted has more than 25 years of experience in the field of human resources management, business and operations management, and project planning and development. He assumed the duties as SRR Deputy Human Resources Director in April 2011 and was most recently the Director of Human Resources.

Prior to joining SRR, Ted was a Regional Human Resource Director for URS Global Management and Operations Services, where he was responsible for multiple URS management and operations, and project and engineering business functions relating to human resources. He has served as Director of Business Services for URS Safety Management Solutions, LLC, where he was responsible for human resources, information technology, security and facilities management.

Before joining URS Safety Management Solutions, Ted worked for Westinghouse Savannah River Company (WSRC) in various positions of increasing responsibility, including Human Resources Manager for the Operations Business Unit. He also served as the Manager of Resource Planning and Development, which included site management responsibilities for all staffing activities at SRS.
